BRONCO ULTRAS '67

SUPPORTING SCU MEN'S SOCCER

Bronco Ultras '67 Membership Levels and Benefits

The Santa Clara University Men's Soccer Program first competed in the NCAA in 1967. In honor of that legacy, the Bronco Ultras '67 was created.

The Bronco Ultras '67 is an exclusive group of dedicated and generous alumni and friends who make contributions directly to the Santa Clara University men's soccer program. Members' donations to the Bronco Ultras '67 are used at the head coach's discretion to help fulfill strategic program initiatives not directly funded by the University.

As special members of the Santa Clara family, the Bronco Ultras '67 is provided with an insider's perspective of SCU soccer through exclusive access to coaches, players, and special events at home and on the road.
